Illinois Medicaid Prior Authorization Procedure Code List, Effective 1/1/2023 (Updated July 2023)

This list includes Current Procedural Terminology (CPT®) and/or Healthcare Common Procedure Coding System (HCPCS) codes related to services/categories for which benefit preauthorization may be required. This list is not exhaustive. The presence of codes on this list does not necessarily indicate coverage under the member benefits contract. Always check eligibility and benefits first, prior to rendering services. Member contracts differ in their benefits. Consult the member benefit booklet, or contact a customer service representative to determine coverage for a specific medical service or supply. **EXCEPT AS OTHERWISE NOTED IN THE "EFFECTIVE AND CHANGE DATE" COLUMN, THESE PRIOR AUTHORIZATION REQUIREMENTS ARE EFFECTIVE JANUARY 1, 2023. Note: Green highlighted codes are managed by eviCore healthcare (eviCore). Orange highlighted codes are managed by Prime Therapeutics for Blue Cross Community MMAI (Medicare-Medicaid)™ members.**
